Mr. Robert Presuto
Superintendent of Schools
Boonton School District
434 Lathrop Avenue
Boonton, NJ 07005

Dear Mr. Presuto, 

It was a pleasure to meet with you for the Boonton Town FY 2017 Midyear Review. The intent of the meeting was to discuss upcoming challenges and to provide some perspective on the potential impact of curriculum, educational programs and technology initiatives for budget planning purposes. The district is commended for achieving Operation and Maintenance of Plant cost per pupil at significantly less than the state median. Also noteworthy, is the ratio of custodians and janitors for every 17,500 square feet of building space.

I appreciate your commitment to fostering an environment committed to academic excellence for students and staff and look forward to working with you as you prepare your upcoming budget.

Sincerely,

Roger A. Jinks
